DRIVE BOLD, DRIVE STRONG

As stylish as a pickup gets, The New Isuzu D-Max Auto Plus is engineered for those who demand style, strength, and dependability for all their escapades. Built to excel on city streets and proven in demanding terrains, it strikes the perfect balance between resilient capability and high-powered performance, ready to take on any challenge.

Over 85 Years
Pick Up Professional &
Diesel Engine Supremacy

MADE TO OWN THE ROAD

The **Dura-Miles Fuel Efficiency Run 2024** saw The New Isuzu D-Max Auto Plus conquer an astonishing 2,004km on a single tank from Thailand to Malaysia, earning its place in the Malaysia Book of Records. Delivering **150PS** and **350Nm of torque**, this engine displays impressive fuel economy to ensure every journey, long or short, is as effortless as it is reliable.

Meanwhile, the 1.9L Blue Power engine has conquered the gruelling terrains of the **Borneo Safari**, showcasing its heavy-duty capabilities. The New Isuzu D-Max Auto Plus proves how strength and fuel efficiency come together to deliver a versatile driving experience.

THE ROAD'S BOLDEST STATEMENT

The New Isuzu D-Max Auto Plus commands attention with its bold design. Its muscular frame and striking radiator grille design exude strength, while its streamlined profile enhances fuel efficiency and adds to its dynamic presence. This pickup combines power and precision, making a lasting impression on every road it crosses.

Engineered to turn heads, The New Isuzu D-Max Auto Plus is a show of strength and style. With a redesigned front bumper, fierce new headlamps, and a commanding fog lamp garnish, every detail speaks elegance and authority.

TAILORED FOR URBAN JOURNEYS

The cabin of The New Isuzu D-Max Auto Plus is designed to provide a serene, comfortable haven for every drive. With modern touches and thoughtful features, it effortlessly blends luxury and practicality, ensuring that both daily commutes and long journeys feel smooth and relaxed.

Comfort is at the heart of every detail, making every ride in this pickup an enjoyable experience with features like Variable Intermittent Wiper System, Manual A/C with heating control, Power Window with Auto Up/Down & Jam Protection for Driver, and Fabric Seats.

Isuzu Comprehensive Safety Technology

EVERY RIDE SECURED

The New Isuzu D-Max Auto Plus is designed to keep you in control, providing peace of mind with its intelligent safety systems. These advanced features ensure stability and precision in every situation, for safety made to adapt to your journey.

01 Traction Control System (TCS)

Allows greater control over the road or terrain.

02 Hill Start Assist (HSA)

Automatically prevents vehicle roll-back when starting on steep gradients.

03 Electronic Stability Control (ESC)

Helps you stay in control of the vehicle.

04 Electronic Brake-force Distribution (EBD) & Brake Assist (BA)

Controls braking force between front and rear wheels, depending on vehicle load, and helps to apply full braking force in emergencies.

05 Anti-lock Brake System (ABS)

Ensures the vehicle can still be manoeuvred in emergency situations.

06 Emergency Stop Signal (ESS)

In emergency situations, warning lights are activated to indicate that the vehicle is braking rapidly.

02

03

04

06

07

07 New Walk Away Door Lock

Locks the vehicle doors automatically after the driver walks more than 3 metres away with the key.

Hill Descent Control (HDC)

Automatically controls the brakes and maintains vehicle speed when descending steep slopes.

Rear Parking Sensors

4 sensors provide instantaneous feedback to detect objects during parking.

Brake Override System (BOS)

Decreases engine power in case brake and accelerator pedals are pressed at the same time.

Follow-Me-Home Light

The headlights of your pickup remain switched on to illuminate your path after ignition is turned off.
